

## December 2018 Newsletter

Blessing: "Smile on us each time we give, for that is how you would have us live. Amen

Parents, cold weather is here. Please remember to replace summer clothing with winter clothing in your child's extra clothes bag. Your child needs mittens/ gloves and headgear in order to play comfortably out of doors. As with all the children's things please label openly and clearly. Please let your child's teacher know if they are on any medication, if they have seen a doctor and the reason for a runny nose, i.e. a cold, allergies, etc. **Also, please call the office to let your child's teacher know if they will be absent.** We keep the doors locked once all children are here. We need to keep our children safe. Communication is the key!

Please don't forget to have your children use the bathroom before coming to school or you may take them as soon as they get here. It is causing a delay for the teachers to begin their class time.

Please remember to drop your tuition off in the box on the first of the month.

December Color: "is red"- We encourage the children to look for our monthly color on a daily basis. All classes are working with the colors red, orange and brown. The shape of the month is the Star.

December Theme: "Surprises and Celebrations"-Our objective is to help the children experience Christmas traditions of many cultures. If you have a tradition you'd like to share with the children, please contact your child's teacher. We hope to foster growth in the areas of sharing, kindness, expressing feelings, modeling love, thankfulness and making choices. Compassion is our value for this month. Compassion is the feeling of empathy for others. Compassion is the emotion that we feel in response to the suffering of others that motivates a desire to help. (Wikipedia) With this we will be

collecting hats, mittens, glove and scarves throughout the month to help people in need.

**Please remember when entering the parking lot to drive slowly, there are children always around!!!!**
