A great big THANK YOU: To all the Parents for supporting your children's education. You are showing your children how important you think school is. What a great start with many years of formal schooling to come. We appreciate all the volunteers and the donations of supplies.

Please always include an ice pack in your child lunch.

**Late Drop off:** Please drop your child off on time as the

teachers need to start their day so they can teach everything that they have planned for. We only have your children for 2 and a half hours and we have a lot of great things to do with them.

**Late Pick-up:** This has also becoming a problem as the teachers need to wrap their day up and clean up after classes. Please remember there are other classes going on in the building so as you are collecting your children remain quite. Please be on time at 11:30, 12:30 or 3:00 when your classes end picking up your child. We will have to start charging for late pick up. You will be charged \$10.00 for late pick up and an additional \$5.00 for every 5 minutes you are late.

Our Character value for this month is **Responsibility**. This is the state or fact of being accountable or to blame for something. With being responsible you will have the

opportunity or ability to act independently and make decisions without authorization.
