"This is the world that we love
so, we thank you God,
for all things that grow." Amen

From the Director:

It seems another year has come and gone. A BIG thank you to the parents and your enthusiastic support who have volunteered to work with the children on special projects and fundraisers without you we could not accomplish all we do with your children.

A special thank you to all of the Parents who helped make for a successful Wheel-a-thon. We are still receiving money from your families and friends.

Don't forget to write thank you notes to them for their support.

Our last fundraiser will be with Buppert's Farm. Starting May 1st until May 18th and flower plants, hanging baskets, veggie plants, herbs and perennials you purchase with the flier you received in your mailboxes we will receive 10% of the sale. Please feel free to copy or ask for more to be shared with family, friends and neighbors.

This month will be a time of busy excitement and exploring nature's treasures, gathering flowers, and walking through tall green grasses.

Please keep in mind our school's policy concerning footwear. We need to see socks and closed-in shoes on the children's feet for safety reasons. Please help us keep your children safe.

Your packets for next year should be ready to pick up by May 4th we will need them returned by **August 1st with the first installment payment for tuition and activity fee.** Please remember that your first installment payment for tuition needs to be paid on time to guarantee your child's placement in a particular class.

Our May color is the rainbow. Please have the children look for those colors on a daily basis. Our color days will be Mondays, Thursdays and Fridays. Please have them wear the color of the month on those days. Our May theme is growth. We promote growth in the areas of investigating, listening, describing, respect and self-control.

Our character value for this month is Safety. Safety is the freedom from harm or danger. Safety is the condition

of being safe from undergoing or causing hurt, injury or loss.

Our final field trip for the whole school will be to South Mountain Creamery in Middletown, MD on Tuesday, May 10th we will meet there before 10:30 our tour begins at 10:30. The cost for any parents or siblings is \$7.50 this includes a sample of their homemade ice cream. We will see the milking parlor, the calves, the silos and the other animals on the farm. There is a wonderful playground there and picnic tables if you would like to pack a lunch. If you would want to purchase any products from their store bring your cooler they will have ice there for you.

Picnic:

We will have a school wide picnic on Friday, May 20th at Freedom Park at 10:00. We will eat around 10:30.

There is a sign-up sheet on the board. Please bring a dish to share and your own drinks.

Graduation:

We will have graduation celebrations this year:

On May 23 for the Monday,
Wednesday 2 year olds at 9:00

On May 23 for the 3 day pre-k
at 10:00

On May 24 for the Tuesday,
Thursday 2 year olds at 9:00

On May 24 for the 3 year olds
at 10:30

On May 24 for the 5 day pre-k
at 11:00

We do have additional parking in the back of the parking lot by the dumpster area.

Please remember learning will not end on their graduation day

keep practicing through the summer.

Enrollment for next year is looking fantastic. We have always relied on word of mouth to spread the word about our school. We hope you have found Holy Spirit Learning Center to be a rewarding experience for your child. Please share your experiences with your friend and neighbors who might be interested in our preschool. If you need an application to share please see me or they can call the school office.
