

## May 2018 Newsletter

"This is the world that we love so, we thank you God, for all things that grow." Amen

From the Director:

It seems another year has come and gone. A BIG thank you to the parents and your enthusiastic support who have volunteered to work with the children on special projects and fundraisers without you we could not accomplish all we do with your children.

Our last fundraiser will be with Buppert's Farm. Starting April 28<sup>th</sup> until May 28<sup>th</sup> for flower plants, hanging baskets, veggie plants, herbs and perennials you purchase with the

flier you received in your mailboxes we will receive 10% of the sale. Please feel free to copy or ask for more to be shared with family, friends and neighbors.

This month will be a time of busy excitement and exploring nature's treasures, gathering flowers, and walking through tall green grasses.

**Please keep in mind our school's policy concerning footwear. We need to see socks and closed-in shoes on the children's feet for safety reasons. Please help us keep your children safe.**

Your packets for next year should be ready to pick up by May 14<sup>th</sup> we will need them returned by **August 1st with the first installment payment for tuition and activity fee.** Please remember that your first installment payment for tuition needs to be paid on time to

guarantee your child's placement in a particular class.

Our May color is the rainbow. Please have the children look for those colors on a daily basis. Our color days will be Mondays, Thursdays and Fridays. Please have them wear the color of the month on those days. Our May theme is growth. We promote growth in the areas of investigating, listening, describing, respect and self-control.

Our character value for this month is Safety. Safety is the freedom from harm or danger. Safety is the condition of being safe from undergoing or causing hurt, injury or loss.

Our final field trip for the whole school will be to Green Meadow Farm in Ijamsville, MD on Thursday, May 3<sup>rd</sup> we will meet there before 10:30 our tour begins at 10:30. The cost for any parents or siblings is

\$11.00. We will see the milking parlor, the calves, the silos and the other animals on the farm. There is a wonderful playground there and picnic tables if you would like to pack a lunch.

### **Picnic:**

We will have a school wide picnic on Friday, May 18<sup>th</sup> at Freedom Park at 10:00-1:00. We will eat around 10:30.

learning will not end on  
their graduation day  
keep practicing through  
the summer.**

Enrollment for next year is looking fantastic. We have always relied on word of mouth to spread the word about our school. Remember we do had the referral program in place so if you recommend us to another family have them put your name on their registration form. We hope you have found Holy Spirit Learning Center to be a

rewarding experience for your child. Please share your experiences with your friend and neighbors who might be interested in our preschool. If you need an application to share please see me or they can call the school office.

As we prepare to make our move to the new building this summer I will send emails out to ask for help. We will need lots of help to move all of our supplies and equipment.
